Dear Sir or Madam:

Each year the Midwest Archery Championship hosts several qualifiers and a championship shoot where hundreds of Archers come together to compete. Ages range from 5 years old to 75 years old.

We are striving to make this the best championship ever. Last year was a success due to companies like yours that participated and honored us with your donation. In an effort to keep the sport alive and thriving, it is our intent to put on an event that all ages can participate in and enjoy.

This year we are offering a Sponsorship Packet which is attached. Please take a moment and see if one of these packets fit within your advertising budget as we hope it will. If not and you would still like to sponsor the MAC with a small monetary donation or a donation of item(s) this is welcome as well. No donation to small.

**As a benefit to donating all Sponsors / Vendors are welcome to come and set up a table no fee, our way of giving back! We only ask that you contact us if you wish to come and set up a tent and/or if you have any specific requirements. We will provide you with the rules. Be sure to let us know if you plan to set up a booth so that we may adequately accommodate you.**

If you are unable to attend the championship and set up a booth, please feel free to send product literature or catalogs or banners along with your donation and we will be sure to have them available to all who attend.

We hope that you decide to help us, in making this years championship the best ever!

Please do not hesitate to contact us if you have any questions. Our office can be reached at 708-567-7431 or email [Brenda@midwestarcherychampionship.com](mailto:Brenda@midwestarcherychampionship.com).

Please send donations to
